Desk Seal

Our Desk Seal is designed to produce impressions with minimal effort. Easy sliding lock mechanism makes for convenient handling and storage. The Desk Seal accommodates the same die holders as the Deluxe Pocket Seal: 1-5/8", 1-3/4", 2" round and 1" x 2" rectangular.

Long Reach Desk Seal

Long Reach Desk Seals are great for putting your impressions where a regular pocket or desk type seal just won't reach. The Long Reach Desk Seal combines all the features of our other seal presses in a larger, heavier-duty device.

Cast Desk Embossers

These elegant cast desk-embossers make clear, crisp impressions time after time. A soft left base prevents scratching and slipping. Frames are Available in Lustrous Chrome, Elegant Brass or traditional Black finishes. These seals are for the truly discriminating and make a fine addition to any desk.
